

Subject:	Liparts Offline
	Error: Application blocked by security settings

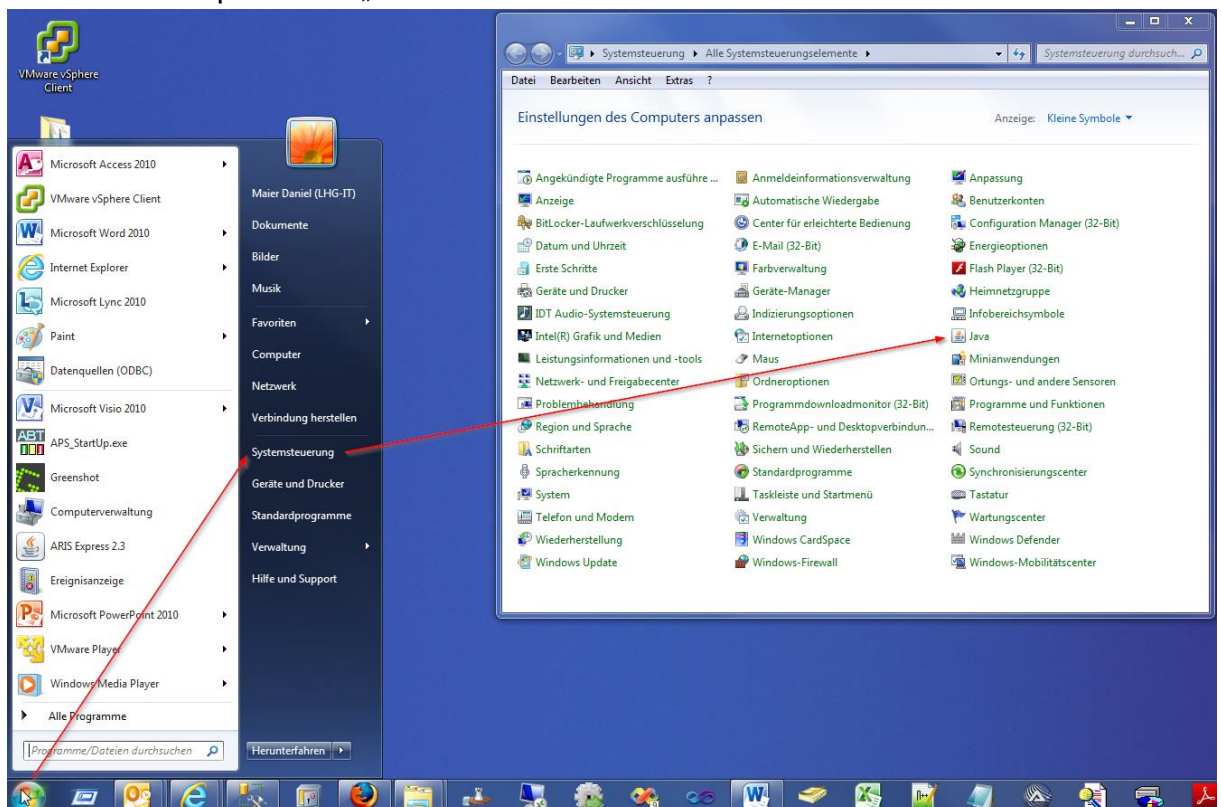

Error:

Please note the path.

In this case: <http://localhost:60477>

1. Go to "Control panel" => „Java “

2. Then open “security” and go to “Edit sitelist”
Add the quoted path to the list.
In this case: <http://localhost:60477>

Now you can test Liparts Offline.
